

SWLA Center for Health Services Grow Your Own Internship Program

Sponsorship Levels

1. Distinguished Scholar Sponsor (\$20,000)

As a Distinguished Scholar Sponsor, you are a premier champion of healthcare workforce development. Your support fully funds internship opportunities, hands-on training, and career mentorship, ensuring a sustainable pipeline of future healthcare professionals. **Please note this sponsorship level is reserved exclusively to one esteemed entity.**

As a Distinguished Scholar Sponsor, you will receive:

- Honored as Internship Showcase Sponsor
- Special recognition at the internship showcase banquet, including an on-stage award presentation
- Dedicated social media feature, personalized shout out (including photos or a brief video message) from the interns highlighting your impactful support
- Recognition on all program materials, organization's website, and social media
- VIP invitations to internship showcase
- The opportunity to engage with interns through mentorship, guest lectures, or site visits

2. Collegiate Fellow Sponsor (\$10,000)

The Collegiate Fellow Sponsor supports the integration of education and career development by funding internships, professional training, and mentorship. Your sponsorship contributes to building strong work ethics and civic responsibility among interns.

As a Collegiate Fellow Sponsor, you will receive:

- Recognition during the internship showcase banquet, including a special thank-you from interns
- Social media shout outs from interns sharing their experiences and gratitude for your support
- Recognition on the organization's website
- Invitations to internship showcase
- The opportunity to participate in networking sessions with interns

3. Academic Associate Sponsor (\$5,000)

As an Academic Associate Sponsor, your contribution increases access to quality healthcare education and career exposure for students. Your support helps provide essential learning resources, training materials, and hands-on experience.

As an Academic Associate Sponsor, you will receive:

- Exclusive social media mentions, where interns will highlight your impact on their journey
- A certificate of appreciation and acknowledgment in the program's donor list
- General thank-you social media post from the organization
- Invitations to internship showcase
- The opportunity to participate in networking sessions with interns

4. Scholarly Advocate Sponsor (\$2,500)

As a Scholarly Advocate Sponsor, you help expand access to career opportunities in healthcare by supporting program development. Your sponsorship ensures that interns gain the foundational skills needed for success in the field.

As a Scholarly Advocate Sponsor, you will receive:

- Recognition on the organization's website
- A certificate of appreciation and acknowledgment in the program's donor list
- General thank-you social media post from the organization
- Invitations to internship showcase

5. Emerging Scholar Sponsor (\$1,000)

The Emerging Scholar Sponsor level provides essential contributions to intern training resources and program operations. Your sponsorship supports career exposure opportunities and access to healthcare education.

As an Emerging Scholar Sponsor, you will receive:

- A certificate of appreciation and acknowledgment in the program's donor list
- A general thank-you social media post from the organization
- An invitation to the internship showcase
